 and if it hurts you my dar - ling you on - ly have your - self to blame.

Like a true, true saying, all that shines is not gold.
 Like a true, true saying, all that shines is not gold.
 And like the Good Book says, you got to reap just what you sow.

Oh you lied, cheated, Oh-oh for so long,
 Yeah you lied, cheated, Oh-oh for so long,
 You're just the wrong darn woman, another queen is on your throne.

(Instr.)

Next time you see me, things won't be the same,
 Next time you see me, things won't be the same,
 And if it hurts you my darling, you only have yourself to blame.
